

## Declaration of No Income

This form can be used by families who have no income to verify. [If families receive SSI, TANF or other cash benefits for adults or children in the home, that is considered income and should be submitted to the program for verification.]

Please provide a statement on your current financial situation, how you and your family are being supported, and explain why there is no income.

### Explanation:

By signing below, I declare this statement is true and correct.

Parent/Guardian Name:

Parent/Guardian Signature:

Date:
